

VALLEY CHRISTIAN

DECLARATION OF IDENTITY AND PURPOSE CONCERNING VALLEY CHRISTIAN SCHOOLS

We, the Deacon Board of Valley Christian Center of Dublin, CA (Church),
Through multiple confirmations of the Spirit of God,
While emerging from the furnace of God's Refining Fire,
After careful review and analysis of our history and our covenant with God to provide Christian education,
And examination of our foundations and our spiritual calling,
Given the significant financial investment cheerfully and unselfishly dedicated to the construction, development and maintenance of Valley Christian Schools,
Here on the cusp of fifty years of providing Christian education in the Tri-Valley,
And in the face of vast and perplexing financial and cultural challenges to Christian-centered education,
While understanding and accepting the inherent complexities and significant legal risks and responsibilities of a Church-led school,

DO HEREBY DECLARE:

That Valley Christian Center is called by God to lead a Christian school,
That there is only one organization on this Campus, that being the Church,
That our school is a cherished and valuable extension of our Church,
That every employee of the school is, in fact, an employee of the Church,
That the "DNA" (history, philosophy, values and mission) of the Church will be cultivated and reflected in all aspects of our school,
That the Church will lead and oversee all aspects of the school,
That the Church is committed to a fully functional, mature, financially sound school,
That we are dedicated to the promotion and preservation of alignment and unity of Church and school,
That all families, faculty and staff are welcome to enjoy the beauty of this community as they also embrace, honor and promote the values of Valley Christian Center.

With a faithful heritage of God's generous provision and favor,
By His enduring grace and through the empowerment of His Spirit,
We look to the future with anticipation and confidence,
Knowing that Christian education will continue to build disciples of Jesus Christ,
Develop and transform young men and women by the renewing of their minds,
While equipping families in our region to walk in grace, truth and power,
For as long as it is the Will of our loving Lord and Savior.

For His glory and for the cities He longs to reach,

Valley Christian Center Deacon Board and Elders:
